| Less than 33      | Little concern for missions. |

This little questionnaire has been copied and adapted from an old one that I picked up many years ago. The author did not identify himself so I cannot give him or her credit for what they designed. I have modernized it and adapted it for our Mission's ministries. If you should know where it originally came from, please let me know, and I will be happy to give them the credit for the idea.
